CHARITABLE GIVING: THE THREE BEST WAYS TO REDUCE YOUR TAX BILL WHILE MAKING A DIFFERENCE

- 01. Gifting Appreciated Stock:** You'll generally be eligible to claim a tax deduction in the amount of the full fair market value, and neither you nor the charity will pay any taxes on the gain.
- 02. Cash Gift:** When you donate cash, generally you can give up to 60 percent of your adjusted gross income (AGI) and deduct the contribution in the current year. **For 2020 and 2021 this limitation increases to 100% AGI*
- 03. Donor Advised Fund:** A donor-advised fund is a dedicated charitable account used for the sole purpose of supporting charities you care about. The fund also can be invested for potential growth, possibly resulting in even more money for charity.
